General Information

Please read this information before filling out

1	This document contains a list of all students who will collaborate with cmlabs.
2	Please fill in the name, email account, and class data correctly.
3	Each student is allowed to choose whether to work in groups or individually.
4	The number of participants per group is allowed to be 3–5 people by appointing one person as chairman or captain.
5	Each person is allowed to choose at least 1 desired position, with 2 other position options if the group needs another position.
6	Expect each group (if in groups) to divide the work positions equally.

Sincerely,
Rifqi Ardhian
